# A Little Table Dazzle

■■■■ **SHAKE UP YOUR TABLE SETTING** with these fresh, inspiring and well designed pieces that are easy to source and purchase. Your guests will be enchanted by the simple elegance and innovation and you'll love how easy it is to transform your table.

## ○ THE TEASTICK:

An innovative – and beautiful – way to brew a fresh cup of tea for your guests: Simply scoop the loose tea into The Teastick and pour boiling water over it into the mug or teacup. Available in stainless steel or in colorful BPA-free plastic. Just \$12/\$18 from [gamilacompany.com](http://gamilacompany.com) or €15.50/€19.50 from [www.richmond-design.com](http://www.richmond-design.com).

## ○ THE SECONDOM COLLECTION:

Beautiful, elegant, quirky, artful, innovative and distinctive are just a few of the words your guests will use to describe the table set with items from this collection of Italian handblown glass. From \$121/£89 at [www.Yoox.com](http://www.Yoox.com).

## ○ ICEDROP CANDLEHOLDER:

The elegant Icedrop, like liquid frozen in motion, can sit on a stone, driftwood, coral or almost anything. The glass candleholders are \$95 for two from [fitsu.com](http://fitsu.com) or £28 each from [www.madeindesign.co.uk](http://www.madeindesign.co.uk).

## ○ SALT AND PEPPER CELLARS:

These handmade salt and pepper cellars offer equal pinches of charm and sophistication. For a small wait, the artist will glaze the interior to match your linens or table décor. \$24 for the set, ships internationally from [etsy.com/shop/paulova](http://etsy.com/shop/paulova).

## ○ ZUCCHI, SUGAR CASTOR:

Sugar dispensing will never look sweeter than this double-walled glass castor. Easy to fill, easy to dispense; just \$52 or €33 from [www.alessi.com](http://www.alessi.com).

## ○ LA CHAMBA:

This soup tureen is the perfect blend of beauty, simplicity and sustainability. Made by hand from Colombian black clay, La Chamba goes from oven to table and has matching soup bowls. Tureen priced at \$47 from [domusnewyork.com](http://domusnewyork.com) (soup bowls are \$22).
